

Dear Members of Players Club Fitness Center,

It has been our mission to exceed your standards of what you expect of a Fitness Center while visiting our facility. We feel the cleanliness of our facility is paramount to achieve this.

Necessitated from increased usage of our aquatic facilities, we are instituting an established cleaning schedule to ensure you the cleanest and most comfortable swim experience possible.

Beginning tomorrow, January 25, the pool and hot tub area will be closed daily for cleaning from 2:00 p.m. to 2:30 p.m.

Monday through Saturday. This will ensure our pool technicians will have the time and ability to sweep, wipe down tiles, and balance chemical levels effectively. We have chosen our slowest time of the day to ensure we would disrupt as few members as possible.

It is our continued desire to make your time with us as positive and worry free as possible. Thank you for your understanding of these new pool hours and we look forward to continuing to give you the quality of facility and service you deserve.

With best regards,

Marci-Anne Leysen
